### GravTek Gravity Roll Conveyor

At MATTRESSTEK we have developed a complete range of machinery to fully automate your production process. From inline belt driven conveyors to 90 degree turners.

We offer a comprehensive project management service supplying a full factory visualisation tailored electrical controls and bespoke machines to achieve the best possible solutions for all industries.

Our full conveyor range can be viewed on our website [mattresstek.co.uk](http://mattresstek.co.uk)

MATTRESSTEK are focused on high performance, only using leading suppliers and high-quality components to reduce downtime and improve efficiency.

MATTRESSTEK machines are designed to be maintenance friendly. Mechanical and electrical assemblies can be easily replaced and simply plugged in, reducing the need for an electrical/mechanical technician.

All MATTRESSTEK machines are designed, manufactured and built at our premises in the UK, by our team of experienced fabricators and machine builders.

Prior to shipment all machines are meticulously tested and trialled on customer samples.
