[Handle & Label Attaching Machine]

## [ Machine Description ]

HLATEK - Handle and label attaching machine with direct drive programmable electronic pattern sewing machine.

Using the state of the art Brother sewing machine and incorporating our own fast and simple attaching tooling system to suit your handles and labels.

MATTRESSTEK are focused on high performance, only using leading suppliers and high-quality components to reduce downtime and improve efficiency.

MATTRESSTEK machines are designed to be maintenance friendly. Mechanical and electrical assemblies can be easily replaced and simply plugged in, reducing the need for an electrical / mechanical technician.

All MATTRESSTEK machines are designed, manufactured and built at our premises in the UK, by our team of experienced fabricators and machine builders.

Prior to shipment all machines are meticulously tested and trialled on customer samples.
