

Machine Description

STACKERTEK - Mattress Stacker

Designed to assist with the stacking of multiple mattresses, easing the strain and need for operators to lift.

We offer a comprehensive project management service supplying a full factory visualisation tailored electrical controls and bespoke machines to achieve the best possible solutions for all industries.

MATTRESSTEK are focused on high performance, only using leading suppliers and high-quality components to reduce downtime and improve efficiency.

MATTRESSTEK machines are designed to be maintenance friendly. Mechanical and electrical assemblies can be easily replaced and simply plugged in, reducing the need for an electrical/mechanical technician.

All MATTRESSTEK machines are designed, manufactured and built at our premises in the UK, by our team of experienced fabricators and machine builders.

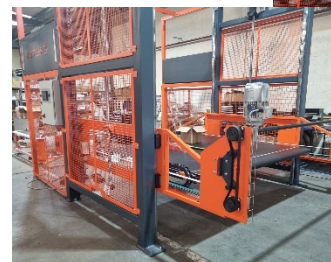

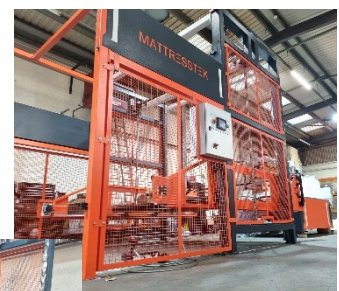

Prior to shipment all machines are meticulously tested and trialed on customer samples.

For more information on any of our products please call [01282 479922](tel:01282479922) email us at: sales@mattresstek.co.uk or visit us at: www.mattresstek.co.uk

HEIGHT	LENGTH	WIDTH
3850mm	4985mm	3380mm
Weight: 600 - 700 kg
